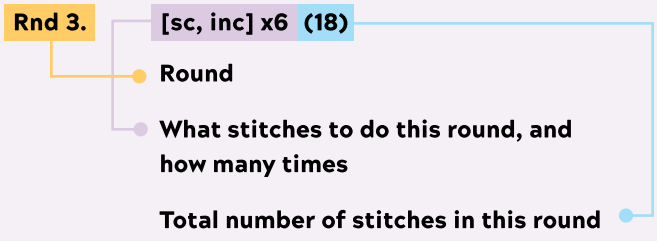
HOW TO READ A WOOBLES PATTERN



For round 3, repeat the pattern in the brackets 6 times. The pattern is: single crochet in 1 stitch, then increase stitch in the next stitch. Because an increase is actually 2 single crochet stitches in the same stitch of the previous round, the total number of stitches in this round is 18.

ABBREVIATIONS

This pattern is written in US terminology, and crocheted in continuous rounds. Watch video tutorials at **thewoobles.com/tutorials**

PATTERN

HEAD & BODY

With white yarn.

TIP Keep track of where you are by placing a stitch marker in the first stitch of the current round.

Rnd 1. start 6 sc in a magic loop (6)
Rnd 2. 6 inc (12)
Rnd 3. [sc, inc] x 6 (18)
Rnd 4. [2 sc, inc] x 6 (24)
Rnd 5. 24 sc (24)

TIP Your piece might start curling - that's totally normal. For a neater final look, push the middle of your piece until it curves the other way. This makes the "right side" face out. Then keep crocheting to the left. If you're a lefty, keep crocheting to the right.

Rnd 6. [5 sc, inc] x 4 (28)
Rnds 7-9. 28 sc (28)
Rnd 10. [6 sc, inc] x 4 (32)
Rnds 11-13. 32 sc (32)
Rnd 14. [2 sc, dec] x 8 (24)
Rnd 15. 24 sc (24)
Rnd 16. [sc, dec] x 8 (16)
Rnd 17. 16 sc (16)

Attach the eyes between rounds 6 and 7 with a 6-stitch space between them. If this amigurumi is for a baby or pet, embroider the eyes instead. Stuff the piece, shaping it like an egg.

Rnd 18. 8 dec (8)

Fasten off leaving a long tail. Thread a needle with the tail; then use it to pull the yarn tail through the front loops of each stitch. Pull tight to close the remaining gap.

Rnd 5. 12 sc (12)
Rnd 6. [sc, dec] x 4 (8)
Rnd 7. 8 sc (8)

NOSE & MOUTH

With pink yarn.

Step 1.
Thread a needle with an arm's length of pink yarn. Insert the needle vertically in the middle of the eyes. To make a truly vertical line, you might need to pull it through the yarn instead of the gaps between stitches. Leave a 6-inch tail.

Step 2.
Insert the needle in the same spot you first inserted it, and pull it out 1 stitch up and to the left.

Step 3.
Insert the needle 1 stitch to the right of the top middle point, and out the same spot it just came out of.

Step 4.
Repeat step 3 until the nose is as thick as you want. Pull the needle out of the same stitch as the original yarn tail. Tie a knot with both tails and hide them.

INNER EARS

Embroider each ear:

Step 1.
Thread a needle with about an arm's length of pink yarn. Insert the needle somewhere on the right side of the piece, pulling it out at the centerpoint of where the right ear meets the head. Leave a 6-inch tail.

Step 2.
Insert the needle into a spot slightly to the right and above the centerpoint, and out the centerpoint again.

Step 3.
Insert the needle at a higher point in the center of the ear, and out of the centerpoint again.

Step 4.
Insert the needle into a spot slightly to the left and above the centerpoint, and out at the centerpoint of where the left ear meets the head.

Step 5.
Repeat steps 2 and 3 on the left ear.

Step 6.
Insert the needle into a spot slightly to the left and above the centerpoint, and pull the needle out of the same stitch as the original yarn tail. Tie a knot with both tails and hide them.

TAIL

With white yarn.

Cut a forearm's piece of yarn and set aside.

Step 1.
Wrap yarn around 2 fingers at least 15 times. Cut the yarn.

Step 2.
Using the forearm's piece you set aside, double knot one side around the middle of the looped yarn. Leave a long tail.

Step 3.
Cut open all of the loops.

Step 4.
Trim the pom-pom into a tiny ball. Be careful not to trim the long tail.

Step 5.
Use the long yarn tail to attach the tail to the middle of the bunny's back.

Step 6.
Insert the needle back into the tail, and through the bunny. Repeat at least three times to secure the tail to the bunny.

Step 7.
Fasten off and weave in the yarn tail.
